

YOUR FINGERS FAIRLY FLY WITH EVANS *Tacky-Finger*

TF 600—TACKY-FINGER

TF-400 1 oz.

TF-600 2½ oz.

Tackle any job like counting money, sorting checks, or filing sales invoices,—with Tacky-Finger any paper handling is easier. Tacky-Finger is the modern fingertip moistener. It gives you a harmless coating for the fingers to give a sure grip on papers. Tacky-Finger is stainless, odorless, greaseless and colorless. It's easy to apply—easy to wash off. No more unsanitary sponges or rubber finger guards. Use Evans Tacky-Finger for every paper handling job. Of course, it's non-toxic and non-irritating.
